SUBJECTS • SUJETS

Activities of daily living

A theoretical model of functional performance in persons with Alzheimer disease. Carswell, A., Carson, L.J., Walop, W., Zgola, J. 59(3):132-140.

Adapted make-up kit for persons with C_5 and C_6 quadriplegia. Fisher, J.M., Hunter, J. 59(5):268-275.

Activity groups

Reasons for participating in occupational therapy groups: Perceptions of adult psychiatric inpatients and occupational therapists. Polimeni-Walker, I., Wilson, K.G., Jewers, R. 59(5):240-247.

Alzheimer disease

A theoretical model of functional performance in persons with Alzheimer disease. Carswell, A., Carson, L.J., Walop, W., Zgola, J. 59(3):132-140.

Arousal

Psychophysiological measurement of treatment effects in an adult with sensory defensiveness. Reisman, J.E., Yockey Gross, A. 59(5):248-257.

Assessment process (occupational therapy)

Documentation of paediatric assessments using the occupational therapy guidelines for client-centred practice. Watson, D. 59(2):87-94.

Assessment techniques

Assessment of hand function: The relationship between pegboard dexterity and applied dexterity. Backman, C., Cork, S., Gibson, D., Parsons, J. 59(4):208-213.

Burnout, professional

Predictors of burnout for psychiatric occupational therapy personnel. Brown, G.T., Pranger, T. 59(5):258-267.

Burns

Silicone gel and hypotrophic scar formation: A literature review. Farquhar, K. 59(2):78-86.

Carpal tunnel syndrome

A modified ulnar gutter wrist splint for the treatment of carpal tunnel syndrome. Kruger, V.L., Veer, L., Nicholls, L.A. 59(3):159-162.

Child, exceptional

Siblings of children with special needs. Unruh, A.M. 59(3):151-158.

Client-centred practice, occupational therapy

Documentation of paediatric assessments using the occupational therapy guidelines for client-centred practice. Watson, D. 59(2):87-94.

Cicatrix

Silicone gel and hypotrophic scar formation: A literature review. Farquhar, K. 59(2):78-86.

Clinical reasoning

Clinical reasoning: An administrator's view. Baptiste, S. 59(1):3-5.

Community occupational therapy

Community integration for persons with disabilities: Working together to make it happen. Pentland, W., Krupa, T., Lynch, S., Clark, C. 59(3):127-131

Consumer satisfaction

A post-discharge study on the use of assistive devices. Finlayson, M., Havixbeck, K. 59(4):201-207

Documentation

Documentation of paediatric assessments using the occupational therapy guidelines for client-centred practice. Watson, D. 59(2):87-94.

Empowerment

1992 Muriel Driver Lecture-Naming and framing occupational therapy: A lecture dedicated to the life of Nancy B. Polatajko, H.J. 59(4):189-200.

Environment, controlled

Independant living and the physical environment: Aspects that matter to residents. Cooper, B.A., Hasselkus, B.R. 59(1):6-15.

Environment, physical

Independant living and the physical environment: Aspects that matter to residents. Cooper, B.A., Hasselkus, B.R. 59(1):6-15.

Ergothérapie en pediatrie

Le jeu en ergothérapie: Réflexion préalable à l'élaboration d'un nouveau modèle de pratique. Ferland, F. 59(2):95-101.

ANNUAL INDEX • INDEX ANNUEL • ANNUAL INDEX • INDEX ANNUEL • ANNUAL INDEX

Fieldwork education, occupational therapy

Skill acquisition during fieldwork placements in occupational therapy. Missiuna, C.A., Polatajko, H.J., Ernest-Conibear, M. 59(1):28-39.

Geriatric occupational therapy

Time use for self care, productivity, and leisure among elderly Canadians. McKinnon, A. 59(2):102-110.

Grooming aids, adapted

Adapted make-up kit for persons with C_5 and C_6 quadriplegia. Fisher, J.M., Hunter, J. 59(5):268-275.

Group membership, children

Siblings of children with special needs. Unruh, A.M. 59(3):151-158.

Habituation(psychophysiological)

Psychophysiological measurement of treatment effects in an adult with sensory defensiveness. Reisman, J.E., Yockey Gross, A. 59(5):248-257.

Hand splints

A survey of Canadian occupational therapists' use of hand splints for children with neuromuscular dysfunction. Reid, D.T. 59(1):16-27.

A modified ulnar gutter wrist splint for the treatment of carpal tunnel syndrome. Kruger, V.L., Veer, L., Nicholls, L.A. 59(3):159-162.

Hand dexterity

Assessment of hand function: The relationship between pegboard dexterity and applied dexterity. Backman, C., Cork, S., Gibson, D., Parsons, J. 59(4):208-213.

Human activities and occupations

1992 Muriel Driver Lecture-Naming and framing occupational therapy: A lecture dedicated to the life of Nancy B. Polatajko, H.J. 59(4):189-200.

Independant living skills(human activities)

Independant living and the physical environment: Aspects that matter to residents. Cooper,B.A., Hasselkus, B.R. 59(1):6-15.

Interpersonal relations

A model of social interaction to guide occupational therapy practice. Doble, S.E., Magill-Evans, J. 59(3):141-150.

Jeu et jouets (therapeutique)

Le jeu en ergothérapie: Réflexion préalable à l'élaboration d'un nouveau modèle de pratique. Ferland, F. 59(2):95-101.

Neuromuscular disease

A survey of Canadian occupational therapists' use of hand splints for children with neuromuscular dysfunction. Reid, D.T. 59(1):16-27.

Manpower, occupational therapy

The manpower shortage in occupational therapy: Implications for Ontario. Salvatori, P., Williams, R., Polatajko, H.J. MacKinnon, J. 59(1):40-51.

Recruitment of men in occupational therapy. Readman, T. 59(2):73-77.

Modalities, occupational therapy

A survey of Canadian occupational therapists' use of hand splints for children with neuromuscular dysfunction. Reid, D.T.59(1):16-27.

Models, occupational therapy

Le jeu en ergothérapie: Réflexion préalable à l'élaboration d'un nouveau modèle de pratique. Ferland, F. 59(2):95-101.

A model of social interaction to guide occupational therapy practice. Doble, S.E., Magill-Evans, J. 59(3):141-150.

Modèles de pratique en ergothérapie

Le jeu en ergothérapie: Réflexion préalable à l'élaboration d'un nouveau modèle de pratique. Ferland, F. 59(2):95-101.

Model, theoretical

Independant living and the physical environment: Aspects that matter to residents. Cooper, B.A., Hasselkus, B.R. 59(1):6-15.

Time use for self care, productivity, and leisure among elderly Canadians. McKinnon, A. 59(2):102-110.

A theoretical model of functional performance in persons with Alzheimer disease. Carswell, A., Carson, L.J., Walop, W., Zgola, J. 59(3):132-140.

Occupational performance

Time use for self care, productivity, and leisure among elderly Canadians. McKinnon, A. 59(2):102-110.

Occupational therapists (male)

Recruitment of men in occupational therapy. Readman, T. 59(2):73-77.

Occupational therapy in psychiatry

Reasons for participating in occupational therapy groups: Perceptions of adult psychiatric inpatients and occupational therapists. Polimeni-Walker, I., Wilson, K.G., Jewers, R. 59(5):240-247.

Predictors of burnout for psychiatric occupational therapy personnel. Brown, G.T., Pranger, T. 59(5):258-267.

Occupational therapy services

Large field studies of hospital based services: Lessons from occupational therapy. Ryan, B., O'Shea, B., Townsend, E. 59(4):214-218.

Ontario

The manpower shortage in occupational therapy: Implications for Ontario. Salvatori, P., Williams, R., Polatajko, H.J. MacKinnon, J. 59(1):40-51.

Organization and administration

Clinical reasoning: An administrator's view. Baptiste, S. 59(1):3-5.

Orthotics and prosthetics evaluation

A survey of Canadian occupational therapists' use of hand splints for children with neuromuscular dysfunction. Reid, D.T. 59(1):16-27.

Outcome and process assessment (health care)

Large field studies of hospital based services: Lessons from occupational therapy. Ryan, B., O'Shea, B., Townsend, E. 59(4):214-218.

Outcome study

Large field studies of hospital based services: Lessons from occupational therapy. Ryan, B., O'Shea, B., Townsend, E. 59(4):214-218.

Paediatrics

Documentation of paediatric assessments using the occupational therapy guidelines for client-centred practice. Watson, D. 59(2):87-94.

Paediatric occupational therapy

Le jeu en ergothérapie: Réflexion préalable à l'élaboration d'un nouveau modèle de pratique. Ferland, F. 59(2):95-101.

Patient education

Reasons for participating in occupational therapy groups: Perceptions of adult psychiatric inpatients and occupational therapists. Polimeni-Walker, I., Wilson, K.G., Jewers, R. 59(5):240-247.

Personnel retention

The manpower shortage in occupational therapy: Implications for Ontario. Salvatori, P., Williams, R., Polatajko, H.J. MacKinnon, J. 59(1):40-51.

Play and playthings (therapeutic)

Le jeu en ergothérapie: Réflexion préalable à l'élaboration d'un nouveau modèle de pratique. Ferland, F. 59(2):95-101.

Presidential address

National Perspective-President's message. McGarry, J. 59(4):185-188

National Perspective-Changing times: Taking stock. Mirkopoulos, C. 59(5):236-239.

Professional competence

Skill acquisition during fieldwork placements in occupational therapy. Missiuna, C.A., Polatajko, H.J., Ernest-Conibear, M. 59(1):28-39.

Professional issues

National Perspective-President's message. McGarry, J. 59(4)185-188

National Perspective-Changing times: Taking stock. Mirkopoulos, C. 59(5):236-239.

Professional practice

Community integration for persons with disabilities: Working together to make it happen. Pentland, W., Krupa, T., Lynch, S., Clark, C. 59(3):127-131.

Profession's value system

1992 Muriel Driver Lecture-Naming and framing occupational therapy:A lecture dedicated to the life of Nancy B. Polatajko, H.J. 59(4):189-200.

Quadriplegia

Adapted make-up kit for persons with C_5 and C_6 quadriplegia. Fisher, J.M., Hunter, J. 59(5):268-275.

Quality assurance, occupational therapy

A post-discharge study on the use of assistive devices. Finlayson, M., Havixbeck, K. 59(4):201-207.

Research design

Skill acquisition during fieldwork placements in occupational therapy. Missiuna, C.A., Polatajko, H.J., Ernest-Conibear, M. 59(1):28-39.

Research, qualitative method

A theoretical model of functional performance in persons with Alzheimer disease. Carswell, A., Carson, L.J., Walop, W., Zgola, J. 59(3):132-140.

Self-help devices

A post-discharge study on the use of assistive devices. Finlayson, M., Havixbeck, K. 59(4):201-207

Adapted make-up kit for persons with C_5 and C_6 quadriplegia. Fisher, J.M., Hunter, J. 59(5):268-275.

ANNUAL INDEX • INDEX ANNUEL • ANNUAL INDEX • INDEX ANNUEL • ANNUAL INDEX

Sensory integrative dysfunction

Psychophysiological measurement of treatment effects in an adult with sensory defensiveness. Reisman, J.E., Yockey Gross, A. 59(5):248-257.

Sibling relations

Siblings of children with special needs. Unruh, A.M. 59(3):151-158.

Silicone elastomers

Silicone gel and hypotrophic scar formation: A literature review. Farquhar, K. 59(2):78-86.

Social skills, planning

A model of social interaction to guide occupational therapy practice. Doble, S.E., Magill-Evans, J. 59(3):141-150.

Social values

1992 Muriel Driver Lecture-Naming and framing occupational therapy: A lecture dedicated to the life of Nancy B. Polatajko, H.J. 59(4):189-200.

Test, by title, nine-hole pegboard test

Assessment of hand function: The relationship between pegboard dexterity and applied dexterity. Backman, C., Cork, S., Gibson, D., Parsons, J. 59(4):208-213.

Working conditions

Predictors of burnout for psychiatric occupational therapy personnel. Brown, G.T., Pranger, T. 59(5):258-267.

Wound healing

Silicone gel and hypotrophic scar formation: A literature review. Farquhar, K. 59(2):78-86.
